<p>New Actions:</p> <p>The new revised Concordat will be taken to all the relevant research committees at Department and Faculty level. The Researcher reps on these committees will gather feedback and through a working group, to include the <u>Research Staff Association</u>, inform CIG of any changes necessary to update Lancaster's Code of Practice (CoP) for Research Staff. The working group to ensure all <u>Concordat</u> changes are reflected in the CoP, and that it is still fit for purpose, this may involve a broader set of stakeholders.</p>	<p>Organisational Developer (Research and Academic) / RSA Executive</p>	<p>Clear understanding and usage of the updated <u>Concordat</u> and the refreshed <u>Code of Practice</u>. Measured through Research Staff Survey feedback and feedback gathered as part of research support programmes. Not target but a good starting point.</p> <p>No data/feedback for CoP, as not asked as specific question. CoP is linked directly from all information related to Concordat and for future measures we will combine these.</p>

<p>New Actions: New cohort style induction for all new Researchers to launch Sept 2019. This is in addition to the departmental and faculty inductions currently in place. This workshop will raise the awareness of; the Concordat; the Code of Practice; the support and development available to them at Lancaster and how they access it.</p>	<p>Organisational Developer (Research and Academic) and Head of Research Quality and Policy</p>	<p>90% of all new researchers to have attended induction programme within 6 months of starting.</p> <p>Positive feedback following programme, from participants and departments.</p>	<p>Annually September</p>	<p>70% attendance reported of those eligible. Based on new (researchers) starters in the period against the number of attendees. COVID-19 interrupted the delivery of the full programme. Induction was moved to an online event and follow up online workshops. Participants appreciated that we had moved this induction online, a high proportion of those attending, were not geographically located near Lancaster and this method of delivery allowed them to attend and experience the networking opportunity not normally available to them. Positive feedback was attained. As this needs continued monitoring, additional feedback will be gathered as part of 'new starter' questionnaire to all staff new starters. Including an explicit question on awareness of the Researcher Development Concordat.</p>

Now that the research community (including line managers) are aware of this option and utilising it, no further action is required. Peer coaching is available to researchers through the Resilient researcher programme. This is a biannual programme.
